WHAT TO DO

- Tell the children that you will be visiting grandpa's farm today and they'll get to drive grandpa's big truck!
- Have children pretend to place their hands on the steering wheel of grandpa's big truck.
- Start the music and let the fun begin.
- Encourage children to sing along on the chorus.
- When the animal sound is played, model putting your hand by your ear and encourage them to copy you. This helps children focus on the sound they are trying to identify.
